

# Women's History I

Syllabus Number      GDE-201  
Elective      2 credit  
YAMASHITA, Sumire

## 1. Course Description

I lecture on the history watched from the point of view called "women"(mainly the Japanese history).  
How has "women" been treated socially until now?  
And how has "women" been talked about culturally?  
We consider various phenomena about "women" and "gender" from a historic viewpoint.
