

Practice in Sign Language Communication 2

Syllabus Number

SNE-104

Elective

2 credit

NEMOTO, Yuki

1. Course Description

This lesson will improve your communication skills in smoother sign language for those who have completed the previous course. In this lesson, you will improve your skills to communicate in smoother sign language for those who have completed the previous course.

This course will increase the variety of sign language expressions, help you understand complex content, and provide a simple interpreter as a service for the hearing impaired.

In addition, by understanding the social and historical positions of the hearing impaired and raising their own symbiotic consciousness, they will acquire basic knowledge as a member of society.
