

Practice in Sign Language Communication 1

Sign

Language

Syllabus Number

SNE-103

Elective

2 credit

NEMOTO, Yuki

1. Course Description

In this lesson, you will learn how to use words and grammar used in various social life so that people who have completed the introductory course of sign language can have a wide range of conversation. By doing so, we will acquire abundant and easy-to-understand communication so that we can actively support students with hearing disabilities.
