

Society and Culture in China II

Syllabus Number

ASI-102

Compulsory 2
credit

KENJU, Yoriko

1. Course Description

Continuing on from last semester's "China Situation" I, this class will cover the living culture of the Chinese people and explore various aspects of the Chinese people's real life, ideas, and ways of thinking formed in their history and culture. We aim to take up various themes and acquire basic knowledge that will provide a basis for discussing various and complex aspects of modern and contemporary China.
