EDU-102

[II]

Elective 2

credit

YAMAGUCHI, Yasufumi

1. Course Description

In this course, we will examine the factors and potential solutions to the issues and problems facing education in various settings in contemporary Japanese society, based on the content of Pedagogy 1. Specifically, we will review and organize various educational issues through reading literature and other means, and we will organize ideas through individual work, and discuss them through group work.
