This course aims at providing the students the basis to communicate in the French language. We will study the pronunciation and basic idioms through everyday conversation. Our goal will be that every student can understand a conversation with French language speakers.

The manual used will be: Bruno Vannieuwenhuyse, Jean-Luc Azra, *Moi, je*, Alma Publishing, 2017.

The first two classes will be given on demand, through the LMS. The next classes should be given in the classroom.
