1. Course Description

The broad topic of this class will be "A History of Japan: Japan and the World". During this semester, we will talk about the history of Japan from Antiquity till 1905. This class will be intended for students who have no prior knowledge of Japanese history. We will try to help the foreign students to understand the historical background of today's Japanese society. The students will be advised to follow this class during the second semester as well.

The first two classes will be given on demand, through the LMS. The next classes should be given in the classroom.
