1. Course Description

Our life is made up by possessing and using something (Sache). The right on the something is real right, regulations (e.g. BGB des Japan und Deutsch) about happened (Entstehung), acquisition (Erwerb), transference (Übertragung) and extinction (Erlöschung) of it are property law (Sachenrecht). Therefore, in this lecture, we focus real right, and we try to understand happened, acquisition, transference of it.
