

Life in the Society of Life-Long Learning

Syllabus Number

EDU-116

Compulsory Elective
2 credit

MORI, Reina

1. Course Description

Modern society is said to be a lifelong learning society. In a lifelong learning society, there is a need for people who can structure their own learning opportunities on their own. In this class, students will learn about various methods and sites related to lifelong learning. This class has a limited number of students, so please keep this in mind when enrolling.
