

Senior Seminar I

Syllabus Number

THE-401

Compulsory 2
credit

TANIMURA, Hidehiro

1. Course Description

In this two-semester seminar, students will think and write academically on higher education in our society.

The first half of spring semester provides an overview of some issues and methodologies on higher education research through weekly readings and discussion.

In the second half students will be assigned to conduct literature research for forming their own research question, and also assigned to give an presentation and write an essay on the outcomes.
