

# Introduction to Tourism II

Syllabus Number

TOS-104

Compulsory Elective

2 credit

SHINOZAKI, Hiroshi

## 1. Course Description

The purpose of this class is to learn tourism as a comprehensive industry from the basics. You will learn the basics of the current situation and issues of various tourism that are the driving force of regional revitalization, overtourism that is becoming a serious problem, and SDGs that are being promoted on a global scale.

It is desirable to take the course all year long to get an overall overview.

\* If necessary, we will invite related parties as guest lecturers.

\* If the lecture is online, you will be asked to submit a mini-report after each lecture. Attendance will be judged by submitting the report.
