

# Senior Seminar (Japanese History 3) – II

Syllabus Number

SEM-406

Compulsory Elective  
2 credit

FUKAYA, Koji

## 1. Course Description

In the latter half of this seminar class, it will take the same concept and methods as former. So the students take part in this seminar will have to make some groups and analyses about the documents or records written in Japanese medieval or early modern. All members must make presentation about the meanings of such documents or others.

On this latter half, it will read the documents written by war-lords(sengoku-daimyo) and their vassals or authorized people on the later period of Japanese war-time(Sengoku or Shokuhou era).
