

# French Grammar I

Syllabus Number

FRE-201

Compulsory 1  
credit

UKAI, Atsuko

## 1. Course Description

You will learn applied grammar based mainly on practice problems from level 3 and pre-level 2 of the Test in Practical French Proficiency while reviewing elementary grammar from the first-year course. You will also be provided with pronunciation support in preparation for studying abroad, including help with certain vowels and intonation that Japanese students tend to struggle with.
