

Study of Law(Teacher Training Course)

Syllabus Number

ESS-201

Elective

2 credit

IGARASHI, Takuji

1. Course Description

This is one of the “specialized courses on subjects” designed for teacher certification. We aim to acquire knowledge on the law necessary for a teaching method of subjects related to social studies, through studying matters on the law which are dealt with in civics education in social studies in junior high schools, and political economics and contemporary sociology in senior high schools.
