1. Course Description

Usually, this lecture gives you basic knowledge about the history of modern Japan, which you must know as a student of University.

But, you are now in the era of Corona virus.

So I would give you lectures about Corona Virus and the economy of Japan.

If people know your major is economics, they may ask you, for example, "Explain me how Corona would give a damage to economy".

Can you answer these questions?

This lecture gives you the answer.
