

French Grammar II

Syllabus Number

FRE-202

Compulsory 1
credit

BUGNE, Magali

1. Course Description

While reviewing the beginner's grammar learned in the first year, students will learn more applied grammar. In class, in addition to learning grammatical matters, students will practice pronunciation in a group work or pair work in order to improve their pronunciations.

"French Grammar I" and "French Grammar II" classes will be held in the same week. This class is a continuation of "French Grammar I".
