1. Course Description

In this class, we will learn about the kind of conditions you need to create in order to bring people closer to exercise or sport. This course, therefore, is basically about promoting sport. While we will focus on schools and school education, the goal is to understand the basic approach to physical education management, and to learn how, as a PE teacher or sports coach, you can play a part in promoting sport or PE and achieve the aims of whatever organization you belong to efficiently and effectively.
