1. Course Description

Group work is continued for communication skill through research and presentation, following the result in spring semester and summer camp. Again free theme related to automotive industry is chosen by each group and the result of research will be presented in Faculty Joint Study and Presentation Meeting scheduled in January, 2022. Additionally, some major current topics are picked up for the purpose of research and exchange of opinion. Thus level of knowledge/information is also enhanced and will eventually support job hunting activity.
