

Senior Seminar II

Syllabus Number

THE-402

Compulsory 2
credit

MORI, Ippei

1. Course Description

In this seminar, students are going to record, transcribe, and analyze actual educational practices (mainly classroom lessons in an elementary school) with assistance of the knowledges of EMCA which they had acquired in “seminar: education I.” Not only that, we aim to build up competence to make presentations to others with structured language and to provide advices for others from analytical view point.
