

International Finance I

Syllabus Number

MOF-301

Elective

2 credit

TAMAKI, Tomomi

1. Course Description

The course will cover basic theory and policy of international finance. In the spring semester, the course will deal with two themes in international finance, i.e., "foreign exchange rates" and "balance of payments". The course will discuss the basic theories on these themes and will offer current topics in conjunction with these themes to help students understand them better in the actual context.
