1. Course Description

“United State of America is the strongest country in today’s world” is general conception, not only in US but also in other countries. But we also know this country was polarized and widen the gap between poor and rich. This class will focus on the current situation in the US economy and society. Especially, present status of the Wall Street and industries, the current situation of the diversification and the difficult time of the media organizations. Through reviewing the US society and economic situation, we will be able to grasp the reality of the US.
