1. Course Description

You may think that “economy” is a very difficult area to understand. But we get a lot of business news through newspaper, TV, radio or internet every day. This class will review the Japanese economic situation and economic policy with using news as a teaching material. Why does Japan need fiscal reconstruction? What was the so-called Abenomics? To try to recognize these kinds of news items will help you to understand Japanese economic situation. Our goal is “Grasp the meaning of Japanese business and economic news!” This course will be taught in Japanese.
