

Senior Seminar I

Syllabus Number

SEM-401

Compulsory Elective
2 credit

KENJU, Yoriko

1. Course Description

In this class, students will decide the theme of "Chinese society" that students are interested in, look up references and materials, create a report, and make a presentation. Alternatively, select and present news and newspaper articles about China that students are interested in, and debate and discuss the presenter's intentions and contents for each group. Students will learn the ability to collect materials and logical thinking methods, and learn the basics of leading discussions.
