

Junior Seminar I

Syllabus Number

SEM-301

Compulsory 2
credit

EHARA, Hiromi

1. Course Description

The purpose of this course is to develop each student's research and presentation skills covering various fields about Spanish-speaking countries. This seminar is for the students who have finished their basic Spanish course and are looking for themes to investigate. Interchanging ideas with others and having advices from faculty and library specialists, they will be assisted to start inquiries in the fields in which they are interested. Participating in group work when necessary, students will be able to progress in their research step by step.
