

韓国の社会と文化Ⅳ

Syllabus Number

ASI-209

Elective

2 credit

Eunjeong Baek

1. Course Description

The purpose of this class is to lead a deep understanding of Korean society. "Korean Society and Culture Ⅳ" selects important themes in Korea's modern and contemporary times and provides a deep perspective. Then, by dealing with themes related to Japan, we will consider future Japan-Korea relations. Classes are basically lecture-style, but video materials such as movies, dramas, and documentaries are also used as appropriate.
