

Reading Geographical Literature 2A-I

Syllabus Number

GGR-213

Compulsory Elective
2 credit

HIRANO, Junpei

1. Course Description

In this course, students will read a book by Edward S. Morse, a famous American zoologist. Students read his book "Japan Day by Day" to learn culture, society and landscape in Japan during the early 20th century. After this course, students obtain basic knowledge and skill to read geographical literature.
