

Seminar II

Syllabus Number

SEM-302

Compulsory 2
credit

YAMAYA, Kazuki

1. Course Description

This seminar will mainly focus on accounting, considering global business and digital technology. Students with an interest in accounting or international business or information technology are welcome to participate. This seminar aims to improve your survey and research skills, presentation skills, and Japanese language proficiency. In Seminar II, you will conduct research on your own interest topics and make presentations, where you can choose your research topics in fields related to accounting or international business or information technology.
