

司法・犯罪心理学 I

Syllabus Number

SOP-203

Elective

2 credit

OKAMOTO, Junko

1. Course Description

Students will get the basic knowledge on procedures of the systems for criminal/juvenile delinquency cases and family affairs cases, and learn how the wisdom from psychology plays a role in them. While the course offers relatively wide-ranging information, as it has to cover the necessity for the exam for professional psychologists, students would find it interesting if they understand how psychology helps judiciary deal with people and try to apply the knowledge to the real-life experiences.
