1. Course Description

Raise awareness of participating in school educational activities as a student and make sure that the purpose of the training is achieved. Pre-instruction for educational training will reduce the distance between education and practical training at our university as much as possible so that students can face the educational training as comfortably as possible, as well as grooming, dealing with teachers and parents, and student guidance. The main aim is to surely acquire the indispensable basic and basic matters required for practical training such as the ideal way of teaching.
