

TOEIC I

Syllabus Number

ENG-121

Compulsory Elective

1 credit

CHANO, Junichi

1. Course Description

Through instruction and guided practice, this course will prepare TOEIC beginners, whose current score is around 350, to improve their score on the TOEIC L&R exam. Upon completion of this course, the successful student will acquire the necessary language skills to reach a TOEIC score of 450. Emphasizing basic grammar, vocabulary, and listening comprehension, this course will focus on developing strategies for tackling Parts 1-3, 5-6, and 7 (Reading Comprehension: Single passages) of the TOEIC test.
