

Seminar on Industry and Enterprise I

Syllabus Number

SEM-401

Compulsory Elective

2 credit

YOSHIMURA, Kohei

1. Course Description

You will learn how to analyze the trends, business contents, financial results, future prospects, recruitment plans, etc. of companies in different industries from various angles and confirm the position of the company in the industry.

Specifically, we will investigate and analyze risk management regarding proper and legally compliant corporate activities and domestic and overseas evaluations of companies whose missions are "profit pursuit" and "development."
