

外国語発展演習Ⅳ

Syllabus Number LIN-308
 Elective 1 credit
BUGNE, Magali

1. Course Description

In grammar and translation classes, it is common to accurately decompose the grammar structure of each sentence of a text while studying the meaning of every word. However, in order to improve reading comprehension, it is also extremely important to be able to read long sentences at a good tempo. In this class, students will learn effective study methods to improve their reading comprehension by studying a wide variety of texts.
