

## 外国語発展演習Ⅲ

Syllabus Number	LIN-307
Elective	1 credit
MORALES, Jaime	

### 1. Course Description

You don't need to know a language perfectly to be able to communicate with someone.

In this course, students will develop their reading and writing skills and acquire the necessary techniques to communicate in Spanish.

We will endeavor to convey our intentions, understand and create a message, using the knowledge we have in Spanish.

The emphasis will be on written and auditory communication, but we will also work on verbal communication and expression.
