

## アスレティックトレーナー実践演習Ⅰ

Syllabus Number

SPS-410

Elective

2 credit

### 1. Course Description

Athletic Training Practicum I offers a hand-on-based professional experience to provide the student the opportunity to apply knowledge and theory related to the philosophy, principles, and competencies of emergency care and orthopedic injury evaluation in the field of athletic training. This course must be taken after the successful completion of Comprehensive Clinical Experiences I&II.
