

## 国際経済学特殊講義B I

Syllabus Number

ECP-405

Compulsory Elective  
2 credit

SIGEL, Byon

### 1. Course Description

This class is designed to help students better understand the structure of modern Japanese consumer society through the lens of economic and trade relations between the United States and Japan. This course will utilize case studies to illustrate how Japan and the United States resolved trade friction to create a mutually beneficial economic partnership.
