

TESOL II

Syllabus Number ENG-306
Elective 2 credit
CVITKOVIC, Robert

1. Course Description

We will continue where TESOL I left off. This class will investigate at the Common European Framework, Cooperative language learning, CLIL and other modern methods of language teaching. We will compare and contrast different teaching methods to help new teachers explore their own beliefs and practices in language teaching. The pace of the class will be adjusted to the level of the students and frequent in-class review and discussions will help students in their understanding of the content.
