

Calligraphy IV

Syllabus Number

ESS-202

Elective

2 credit

FUKUI, Junya

1. Course Description

While experiencing the joy of expression through the brush, students will learn various styles of calligraphy that can be used in daily life and think about the practicality of calligraphy. Students will learn the basics of beautifully expressing themselves in everyday life in a variety of styles, including "Kanji", "Hinagana", and "Kanji-Kana mixed writing", which is a combination of both.
