

Japanese Expression II (Introductory Japanese II)	Syllabus Number	JLN-102
	HINO, Junko	Elective 1 credit

1. Course Description

This is a class offered for TEAP students only as a continuation class of Introductory Japanese I. We will brush up Japanese conversation skills needed on campus and in daily life. Basic conjugation system of Japanese grammar will be also covered. We will also learn basic typing skills needed in daily life. The class also considers key ideas to get better understanding of Japanese people and culture, and compare them with student' countries. The students will make a final presentation regarding Japanese culture by working with Japanese students.
