

Sociology of
Communication

Personal

Syllabus Number

SOC-243

Elective

2 credit

TADOKORO, Yoshiaki

1. Course Description

In this class, we aim to acquire sociological literacy related to everyday communication. Everyday life is full of various communications, from daily conversations via LINE to watching YouTube. Communication is not just about people-to-people conversations. In this class, you will unravel the various mechanisms of daily communication, gain clues to enrich your communication life, and learn the basics of sociological communication theory.
