

Teaching Methods in Commerce 2

Syllabus Number ESS-302
 Teachers' License
Program Elective
 2 credit

SAKAUCHI, Kei

1. Course Description

This course is designed for students who intend to become high school commerce teachers in the future, and aims to deepen their understanding of the objectives and contents of the subject "commerce" as indicated in the Courses of Study for High Schools, as well as to understand and acquire the teaching contents and methods of each subject. Together with Teaching Methods in Commerce I, the course will cover the entire range of commercial science subjects.
