

Introduction to Law I

Syllabus Number

FUL-101

Elective

2 credit

YOSHIDA, Takaaki

1. Course Description

It may be difficult for beginners what legal terms mean and how we see from legal perspective. Therefore, we will explain the role of the law and the manner for studying jurisprudence in this course. In addition, we will illustrate the basic concepts of Public Law and Private Law, as well as how the statutes concern the problems of modern society.
