

Seminar I

Syllabus Number

SEM-301

Compulsory 2
credit

OKUDA, Hidenobu

1. Course Description

The purpose of the seminar is to study economics "practically", which is the motto of our university, by continuously monitoring Nihon Keizai Shimbun (morning edition) and investment information report issued by securities companies throughout the year. The participants will acquire basic knowledge of asset formation and management according to the individual life stage. In addition, the participants will get used to making presentations (reporting). Regularly make a short report on market forecasts in group learning.
