

Seminar I

Syllabus Number

SEM-301

Compulsory 2
credit

TSUKAMOTO, Takuya

1. Course Description

In this seminar, you will learn about sport management academically and practically based on the policies of the Japan Sports Agency. In addition, we will focus on not only domestic sports trends but also overseas sports trends, and analyze and consider them. In the first semester, we aim to "Formulate a research plan" from an academic point of view. You will learn how to research for documents, how to organize documents, how to write a dissertation, and so on.
