SASAKI, Sawako

1. Course Description

The purpose of this course is to learn about the welfare of children, the disabled, and the elderly, as well as the welfare of children and families, and to consider the issues and future prospects of modern welfare from the perspective of social welfare. Students will learn about social welfare broadly in considering the welfare of children and families as childcare workers, and through group work and other exchanges of opinions with others, they will consider and understand the positioning and relevance of childcare as social welfare.
