

経営学演習 III

Compulsory 4
credit

ONO, Takashi

1. Course Description

In this seminar, I will provide graduate students necessary research guidance(theory, research method, etc.) and teach attitude as a researcher to write master thesis in management strategy theory or management organization theory or management administration theory field and to take a Master's degree of Business Administration. By doing so, I aim for graduate students to complete master's thesis about management strategy or management organization or management administration theory field in this semester.
