

# Printmaking II

Syllabus Number	ARL-108
Elective	2 credit
OHNUKI, Masumi	

## 1. Course Description

A print is expressed through a "Version."I do not think difficultly but think that I would like to give one hint to the student who would like to carry out craftsmanship and some expressions.Learning which leads work to a lecture is carried out.The treatment of the easy way of making a "version" and tools material is studied.Own expression is looked for enjoying work, and it exercises so that its expression may be found.What started with the eraser print, and made the wood-block print etc., and own made is filed, and it is made a "portfolio."The technique of the print suitable for own expression is looked for.Please enjoy work.
