

経営学演習 II

Compulsory 2
credit

SETO, Yoshiya

1. Course Description

This course aims to help students who intend to study and write theses regarding international business or management acquire knowledge and basic skills through studying the followings.

- 1) Japanese companies' business operations in general and/or its overseas development, and
- 2) the basics necessary to write thesis

For the purpose above, students are expected to prepare reports and make presentations about textbooks (to be decided) and discuss in the class.

Also each student will make presentations regarding the theme of his/her thesis periodically.
