

Introductory Seminar on the Honours Program

Syllabus Number

SEM-101

Elective

2 credit

KINOSHITA, Koichi

1. Course Description

Each student will conduct research on a common theme (e.g., "new coronavirus" in the current situation) from the perspective of his/her own interest (e.g., "education," "family," "gender," "media," etc.), summarize the research, and make a presentation. Students will bring their research outside of class every week, and the exercises will consist mainly of discussions and presentations.
