

比較産業論特講 II

Elective 2 credit
YOSHIOKA, Takaaki

1. Course Description

This course continues through spring semester (as 比較産業論特講 I) to autumn semester (as 比較産業論特講 II). This course aims to give students the deep and comparative knowledge on topical problems using current news articles or TV programs and so on. In order to solve the problems, let's talk about the strategy for companies or the policy for governments from a viewpoint of interests, industrial structures, industrial organization and international economics. We do not use textbooks for this course. The instructor will prepare handouts for the class.
