

TOEIC Preparation II (Beginner)

Syllabus Number	ENG-104
Elective	2 credit
CHANO, Junichi	

1. Course Description

This course is the sequel to TOEIC Preparation I (Beginner) and will prepare students to further improve their scores on the TOEIC L&R exam. Upon completion of this course, the successful student will acquire the necessary language skills to reach a TOEIC score of 470. In comparison with TOEIC Preparation I (Beginner), this class will cover all 7 parts of the TOEIC, including Part 4 (Listening Comprehension: Talks) and Part 7 (Reading Comprehension).
